## Resume

I am a motivated, hard working and fun individual that has a passion for creating positive change in the built environment. Through my education I have learnt an **appreciation for context** as well as an agenda for creating **sustainable, green solutions** in my designs. My passion lies in **creating spaces that mean a lot to a lot of people**, something I am striving for both through study and the jobs and work experience I have undertaken. As well as a **proficient designer** I am also a **driven leader** and find my self directing any group task I undertake. Examples of this can be seen from my school days where I **captained the 1st 11 Football Team** to more recently becoming **social secretary** of the Student Association of the Welsh School of Architecture, organising and leading social events for the school.

## Education

### Cardiff University - Welsh School of Architecture

2017 - 2020

**RIBA Part 1 (First Class Honours)**  
BSc Hons Architecture, Cardiff University

### Truro School & Sixth Form

Excel ●●●●●●○○○○

### Interpersonal:

Excellent Communicator  
Accurate in discussion  
Work well in a team  
Accomplished leader  
Problem Solver  
Can multi-task under pressure  
Intelligent time management

## Experience

### Clifton Emery Design - Architectural Assistant

Summer 2019

Clifton Emery Design (Exeter) - During my 4 months at CED I worked on a wide variety of residential projects. Using Autocad, Sketchup and the Adobe suite I produced planning drawings, design access statements, large scale Sketchup models and many other drawings that contributed to award winning residential schemes across the southwest. Spending a long period of time in the studio meant seeing projects properly progress over time, something I had not previously experienced in my time doing work experience.

### Fletcher Priest Architects - Work experience

Summer 2015

Fletcher Priest (London) - here I spent a week shadowing an associate at the firm where I sat in on key design meetings and spent time using Autocad to laser cut models for St Annes College, Oxford. It was a pleasure to spend time in a large firm such as this one and appreciate the professional work environment, it was here I was set on studying architecture.

### Stride Treglown Architects - Work experience

Summer 2016

At Stride Treglown in Truro I spent a week completing a design challenge where I had to design a new lifeguard hut for a beach of my choice. Being from Falmouth, Gyllyngvase was an obvious choice. During this week I became more competent with photoshop and began to appreciate issues regards context and scale in design. It was a very valuable week and one I was lucky to take part in.

### Cardiff University - Welsh School of Architecture

Summer 2019

Privately commissioned by Wayne Forster (deputy head of school) to produce site models for housing schemes in South Wales.

**Turks Head Pub - Isles of Scilly**

Summer 2018

- Staff supervisor for day shift employees.
- Responsible for the opening and set up of the pub each morning.

**Café Mylor**

Summer 2016 &amp; 2017

- Front of house Barista.
- Waiter and occasional kitchen porter.

**The Waterside**

Summer 2014, 2015 and 2016

- Waiter and kitchen porter.

**Mylor Sailing School**

Summer 2016

- Sail co-ordinator for "sailability" students, (disabled sailing group).
- Boat rigger and sail school maintenance.

**Mylor Scouts Group**

Year of 2016

- Volunteer for Beavers and Cubs activities.

**BF Adventures**

Summer 2015

- Volunteering helping special needs groups in summer school activities, e.g. orienteering, archery and canoeing.

Full clean drivers licence  
 RYA Level 4 Sailing  
 Gold Duke of Edinburgh
